WINTER WONDERLAND

Winter came to our towns with zero weather and a blanket of snow in time to sharpen up our appetites for Christmas. The ice on the harbor reminded many of our older people of good times spent skating and ice boating on the frozen harbor. It used to be a common thing to have the harbor ice locked and the ice so thick that it would easily support a car. Thursday morning we took this scene to mark the beginning of winter in Mattapoisett. It was really cold on the wharf and the sun made a blanket of diamonds out of the snow covering Shipyard Park. New snow is like a new year, clean, bright and unspoiled by tracks. The new year lies unspoiled before us and it's good to be alive in this sharp country air to make our first footsteps in the year 1956. To start this new year we want to thank Allan H. Vaitses for developing our cover picture on his holiday so that we could have it on our cover this week. Mr. and Mrs. Vaitses have been responsible for many of our covers and we are very grateful to them both. It is a kindness like this that makes it such a pleasure to work in a small town.

HELP FOR THE CRIPPLED CHILDREN'S HOSPITAL

The Mattapoisett Juvenile Grange does a wonderful service with envelopes and stamps that contained your Christmas cards. They collect these envelopes with stamps and sell them in Europe to collectors and the money that they raise goes to the Crippled Children's Hospital. The envelopes that brought you pleasure can thus bring help and hope to crippled children. Please help these good

WANDERERS SING AT COUPLES CLUB

The Wanderers' Men's Chorus entertained with Christmas music at the meeting of the Couples Club of the Mattapoisett Congregational Church held Tuesday night in the church vestry. Gifts were also distributed and refreshments were served by Mr. and Mrs. Russell W. Chase, Mr. and Mrs. Ross Hopkins, Mr. and Mrs. James Harris and Mr. and Mrs. Robert K. Illingworth.

At the business meeting, conducted by the president, John M. Souza, Jr., Mr. and Mrs. George D. Heath, Jr. were elected co-secretaries to fill the vacancy caused by the resignation of Mr. and Mrs. Robert Gardner who will move soon to Lexington.

A supper is being planned for January 21st with the committee being comprised of Mr. and Mrs. Donald Chase, Mr. and Mrs. Richard E. Chase, Mr. and Mrs. Richard Averill, Mr. and Mrs. William Matthews, Mr. and Mrs. Alan Perkins, Mr. and Mrs. Allen Sherman, Mr. and Mrs. Robert Seeley, Rev. and Mrs. Frederic E. BOARD OF DIRECTORS OF LIONS CLUB MEET

At a recent meeting of the Board of Directors of the Mattapoisett Lions Club, action was taken to meet the long felt need of the Center School to have vision testing equipment of its own when it was voted, after consultation with School Nurse Grace DeCosta, to underwrite the expense of such equipment. It is hoped that it may be obtained within the month for formal presentation to school officials. Russell Tinkham is chairman of the Sight Conservation Committee.

Simultaneously the proceeds from the turkey project were allocated to the Massachusetts Lions Eye Research Fund. Lions Clubs throughout the state contribute to this fund from which money is awarded to persons carrying on studies leading to the saving and restoration of sight. In 1955 alone four scholarships totaling $19,000 were granted for such work.

Awarded turkeys as part of the undertaking were Buddy Faulkner of Mattapoisett, Eleanor Jennings and Patricia Toomey of New Bedford and William Turner of Smith Mills. Robert Smart and Russell Sherman combined forces to put the project over the top.

Wishing to contribute to the pleasure of Christmas for handicapped persons, the club, in the body of its president, Arthur Baker, and Russell Tinkham distributed baskets to all Mattapoisett blind.

Also, a contribution was made toward the community Christmas lighting project.

Feeling, too, that at this season one should share his bounty with the less fortunate people of the world, especially its children, Treasurer Floyd Tinkham reported that the

ROCHESTER GRANGE HAS CHRISTMAS MEETING

The Rochester Grange observed Christmas at their regular meeting last Wednesday. They voted to buy a new regalia for the 50th anniversary which comes in February, and also to buy an indicator switch and turn over for the gas tanks.

A card of thanks was read from Margarite Reed for the fruit she received while convalescing at home after being in the hospital.

Mrs. Herbert Snell, Thomas Gayoski and Mrs. Harold Taylor contributed to the birthday bank. The Lecturer's march prizes were won by Mrs. Muriel Barksdale and Andrew Barksdale.

George Souza, master of Sippican Pomona, spoke briefly. The lecturer's program was the Long Plain Baptist Church choir under the direction of their leader, Mrs. Calvin Coggeshall. They rendered several sacred Christmas songs and carols.

The candle light service of the Ten Commandments for Christmas was presented with Mrs. Joseph Silveria as reader and Mrs. Arthur Tripp, lighter of the candles and soloist. A Christmas poem was read by Mrs. Lois Taylor. Santa Claus, played by Andrew Barksdale, distributed gifts from around a gaily lighted tree. Carol singing was held by all and refreshments were served by Mrs. Ruth Kirby and Louise Kirby, the refreshments being coffee and home made plum pudding, made by Mrs. Ward Benner.

The next meeting is a calendar program with tables representing each month of the year. The chairmen of each table will furnish the entertainment.
